## **Ragging- Violation of Human Rights Ragging is** **strictly prohibited on campus & off campus**

**AIM:** To root out ragging in all its forms from the college by instituting stringent anti ragging measure and provisions for strict punishments to defaulters

### **WHAT CONSTITUTES RAGGING?**

- College life is very important in every body's life because it not only determines the future of a person but also is a time when most students understand the realities of life. But it has been observed that students do not enjoy their campus life till the end of first year. This is because of ragging.
- Ragging is any disorderly conduct, whether by words spoken or written, or by an act which has the effect of teasing, treating or handling with rudeness any student.
- Indulging in rowdy or undisciplined activities which cause or are likely to cause annoyance, hardship or psychological harm or to raise fear or apprehension thereof in a fresher or a junior student and which has the effect of causing or generating a sense of shame or embarrassment so as to adversely affect the psyche of a fresher or a junior student. (Supreme Court Judgment Order dated 8 May, 2009).

### **PROHIBITION OF RAGGING:**

- Ragging within the college campus including its Institutions/departments or outside the campus is strictly prohibited.
- No person including students/staff/faculty shall participate or abet or propagate ragging in any form.

## **PUNISHMENTS:**

Ragging is a cognizable offence under the law and the punishments are exemplary and justifiably harsh to act as a deterrent. It may include:

- Cancellation of admission or suspension.
- FIR with the police and arrest.
- Severe punishment where justified such as fine/imprisonment, etc.
- Withholding Scholarship or other benefits (Writ Petition-Civil No. 656 of 1998 of Supreme Court).
- Debarring from representation in test/examination/extracurricular activities.
- With holding of results.

## **MEASURES TAKEN BY INSTITUTE:**

- Ragging which starts as fun for one group of students may have a far reaching influence on the other group of students, family and the Institution itself. The consequences may end up in death. The College works towards the welfare of students and make them skilled, disciplined, qualified and confident graduates. To achieve this College has taken the following measures to the menace of ragging in the campus.
- MGC observes that Ragging is neither a fun nor a pleasure or entertainment and also not a means of familiarization or an introduction with college freshers, but it is a heinous act of Human Abuse and crime, and the same is disseminated to the students.
- Formed Anti Ragging Committee consisting of senior faculty members headed by Principal.
- Committee has taken steps and allotted duties to all the staff members at almost all areas in the college (i.e. canteen, parking places, hostel, different blocks, play ground etc.) and ensure that at least one faculty member will be present at any particular time at all the locations to avoid ragging activities.

## **REPORT**

The Anti-Harassment cell organized an Awareness program about **DEALING WITH SEXUALITY** which held on 04/2/2023 from 12:00 pm to 1:00 Pm.

The session started with prayer song followed by welcome address. After the welcome note the Secretary and Principal gave felicitation address to the gathering. The guest was honoured with a memento by the Secretary and then the session was hand over to the guest speaker. Mr. Paulaiiah took over the session in an energetic way by explaining the five 5 aspects of Sexuality. Then he explained the gathering about the various forms of harassment been mentioned in the POSH act 2103. The Guest took the session with many lively examples to explain the forms of harassment by duly maintaining the confidentiality. He briefed that Sexual harassment can happen in any environment, anywhere and in a multitude of ways. The existence of policies in place to protect people from sexual harassment does not mean sexual harassment does not happen and that retaliation cannot happen. Sexual harassment is harassment that is sexual in nature and generally includes unwanted sexual advances, conduct, or behaviour. Policies need to be transparent, accessible and disseminated with meaningful training and education. Sexual harassment is one aspect of sexual violence in a larger framework of rape culture.

The guest also put forward few points as questions to discuss in order to make the session more vibrant and interactive one. Finally, the guest briefed on the steps taken by the government to address the issues on Harassment. As per the POSH Act, the grievance redressal team that accepts and handles sexual harassment complaints is called the Internal Committee or IC. If the organization has ten or more employees, the employer must constitute an Internal Committee as prescribed by the POSH Act.

The guest also elaborated on the mental health aspects of Sexual Harassment such as loss of interest in activities, lack of motivation, social withdrawal, feeling tearful or sad or having a low mood.

**Q&A session.** The resource people welcomed the questions from the participants. Students raised many questions enthusiastically. Both the resource people clarified their doubts regarding POSH act and harassment forms.
