

COASTAL CLEAN-UP DRIVE ON 17TH SEPTEMBER 2022

REPORT

In commemoration to the 75 years of Indian Independence (75 Suthanthira Thirunaal Amudha Peruvizha) and International Coastal Clean-up Day, Urbaser Sumeet in collaboration with Greater Chennai Corporation organized Coastal Clean-up drive on September 17th, 2022 between 6.30 am and 9.30 am at Marina Beach.

The students of MGC which includes NCC cadets (35) & MSW (10) students participated in the beach clean-up and spread awareness to save the natural resources and to keep our environment clean. In this behavior change intervention the objective was to emphasize on the duty as humans to dispose trash properly and realize it as a collective responsibility to keep the environment clean. All participants were provided with appreciation certificate. The students and NCC cadets were accompanied by Lt Moieeson Thairiyam, Head, Department Social Work & Associate NCC Officer of Mar Gregorios college.

REPORT ON TREE PLANTATION PROGRAMME

The Department of Commerce shift-I MGC along with Rubicon Foundation & Barclays, organized Tree Plantation Programme with the objective to contribute to the and to empower the youth. Around 150 Dignitaries from Rubicon skill development private limited with Barclays and 50 students planted around 200 plant saplings in the college premises. The program received the good response and feedback. This event not only exemplifies our dedication to environmental conservation but also serves as a catalyst for broader green campus initiatives. As we nurture these saplings, we envision a future where our campus flourishes with lush greenery, providing a sanctuary for biodiversity and a vibrant learning environment for all.

REPORT ON “PLANTING SAPLINGS”

The Department of Computer Science, Shift II, in collaboration with the ICT Academy Green Bharat Abhiyan Project, spearheaded an impactful event aimed at fostering sustainability within the Mar Gregorios College Campus on 28-10-2022; The initiative to plant saplings under the Honeywell Foundation took root, symbolizing our collective commitment to environment. Staff members and enthusiastic students from our department eagerly participated in this endeavor, recognizing the significance of cultivating a green campus. With each sapling planted, we took a tangible step towards creating a more eco-friendly environment within our academic grounds. Moving forward, the Department of Computer Science remains steadfast in its mission to integrate sustainability practices into every aspect of campus life. Through ongoing initiatives such as waste reduction, energy conservation, and green infrastructure development, we aspire to transform our campus into a beacon of environmental responsibility and innovation. Together, let us continue to cultivate a culture of sustainability, ensuring that future generations inherit a campus that thrives in harmony with nature.
