Report

Career guidance is a comprehensive, developmental program designed to assist individuals in making and implementing informed educational and occupational choices. It develops an individual's competencies in self-knowledge, educational and occupational exploration, and career planning.

With a view to provide exposure to the final year students in the area of banking and financial sectors, Department of B.COM (A&F), organized an Career Guidance Programme on "Career in Banking Sector" on 5th August, 2022. Guest of the programme was Mr. Aswatha Narayanan, HR, HDFC Bank, Alumni of the department. The lecture basically focused on the PG course available in HDFC bank to work. He mentioned the benefits of the course. There are various opportunities to work in different banking fields.

We extend our deep gratitude to Mr. Aswatha Narayanan, who really made the students aware of the practical working environment and selection process in HDFC bank. The lecture proved to be fruitful under the guidance of Prof. R. Selvi, Head Department Commerce (Accounting & Finance).

62 students were attended the programme. Overall the programme helped the students to have a better understanding of the opportunities that could be offered by HDFC Bank.

REPORT

The Placement training for final year students was organised by MGC-Xavier Board in association with placement cell in regard to Xavier Board's industrial collaboration with TCS on 17th August 2022.

This program aims towards providing right opportunities and learning skills to under-privileged families, so that they can showcase their potential, join the mainstream economy, and shall have a dignified life. The program provides free employability training for economically weaker candidates. The program also supports the youth for guiding them for internal (in TCS) and external opportunities for their jobs.

The training was for 100+ hours, covering standard modules prepared by TCS on Business Communication Skills, Quantitative Aptitude, Logical Reasoning, Computers, Interview Skills, Resume building to name a few.

Around 112 students took part in the training program, Mrs. Priya & Mrs. Sonal were the class mentors for them. The program came to an end on 1st October 2022.

Most of the students took part in this program actively as it will be very useful for them for placement in companies.

REPORT

SEMINAR ON ROAD MAP TO ENTREPRENEURSHIP

The Career Guidance Cell conducted a seminar for the Final Year Students of both Shift -I & II on 21st September 2022 at 12 noon for Shift I and 2 PM for Shift II at Mar Ivanios Hall on the topic "**ROAD MAP TO ENTREPRENEURSHIP**". Our Alumni Mr. Shaji Eswaran BCA LLB, Entrepreneurship Qi Group was the resource person.

The Seminar started with the prayer song. D. Yuvin Raj of III BBA (Shift I) gave the Welcome speech. Around 87 students from Shift I and 105 students from Shift II participated in this seminar. The Resource person made the students to participate actively by sharing the importance of ESBI and Guidelines about the present scenario, Consistency and decision making. The Students were enriched by valuable ideas through this session. The session was so effective and informative. MC was done by S. Diwakar of III BBA (Shift I). The session ended with Vote of Thanks by Kevi of III B.Com (CA) (Shift II).

Brief Resume – Mrs.Chitra Anantharaman

Mrs. Chitra Anantharaman, BA, MBA is presently the Deputy Director of Southern India Regional Council of The Institute of Company Secretaries of India, Chennai. Starting her career with the Institute, about three decades back, Mrs Chitra Anantharaman moved up the ladder to become Deputy Director. During these years, she had handled variety of assignments, which are interesting as well as challenging. She has received 'Achievers Award' from Alma mater, SDNB Vaishnav College for Women, Department of Economics.

Her present portfolio is primarily is to create career awareness amongst the students, with special emphasis – Career as a Company Secretary. In order to bring career awareness and to disseminate information about ICSI, she is conducting Career Awareness Programmes at various educational institutions, which she is quite passionate about. She is also a faculty for CS Students at the One Day Orientation Programme conducted by ICSI-SIRO, Chennai.

Mrs. Chitra Anantharaman has also coordinated some of the Institute's programmes, like ICSI Convocation, Teacher's Congruence in association with various Universities, Mega Career Awareness Programmes and other national level programmes and also contributed write-ups of the proceedings of these programmes in the e-Newsletter of the Regional Council and Chartered Secretary'. She was also the coordinator for the Management Skills Orientation Programme [MSOP], which is the prestigious Programme mandatory for all the students before becoming members of the Institute.

She was instrumental in setting up ICSI Study Centres at various Universities and Colleges in Chennai, Puducherry, Tiruchirapalli, Thanjavur, Tirupati, Vellore, Kancheepuram, Devakottai, Kottayam, Ramanathapuram, Karaikudi, Anantapur, Port Blair, Lakshadweep Islands and institution of ICSI Signature Award at IIM, Trichy; IIM, Bangalore; S.V. University, Tirupati; Pondicherry University, Puducherry, University of Kerala, Kannur University, University of Calicut, and Sri Krishnadevaraya University, Anantapur; MOU on ICSI Academic Connect with The Tamil Nadu Dr. Ambedkar Law University, Chennai to create synergy between the university education and professional education and to enhance the quality of education imparted to the ICSI students and conducting Online Career Awareness Programme on Company Secretaryship Course.

"Sculpting a Person to become a Personality"

PROFILE

I am HR professional qualified with Masters in Human Resource Management and Masters in English Literature. Started my Career in 2000 as an English Teacher before even completing my UG degree. I got Married at the age of 18 and continued my studies through distance education. I never stopped challenging my life which always gave me twists and turns in all my paths. I wanted to become a lecturer but my situations did not help me to do so and accidentally became a designer in the year 1998 and worked for few years. And proud to say that I was the only female Ceramic Tile designer in India.

Again Life gave me chance to take my transformation and entered into Human Resource Management in the year 2002 without a professional degree. So decided to get a professional degree in HR and completed Master of Human Resource Management in the year 2008 by then I was an Executive HR in a MNC. Achieving my dreams and career goals was so easy and blessed for me. But Family life was a failure so I had to take a break for 4 years from my career journey but I worked as a freelancer for my husband's concern even.

Again life thrown me another Transformation where I had to run a business (working Women's hostel – Puducherry) for 4 year from 2014 to 2018. In that too I achieved what I wanted to made and my hostel was number one in the market. I proved even a ladies hostel can be managed in a professional way for which my HR experience helped me.

Then I restarted my HR career in the year 2018 and till now the transformations I took in my career has helped me to move and understand many individuals who are struggling to manage the life situations and miseries happened to them and few tried to end up their life even. There aroused my conscious to help those people by counseling and helping them to withstand and come out of their negative lives to the positive state of mind and life as well.

Then I Started my Women Empowerment Society and a Consulting Firm to help people to achieve both in career and personal life. To counsel and deal with personalities and minds I got certified in REBT and NLP life Coach. Continuing my Studies in Mind therapy. Thriving to transform more lives.

Report

PG Department of Commerce -Shift1, organized two days Workshop on 20.2.23 & 21.2.23 in association with Shell NXplorers Pro on the topic “Empowers ambitious future leaders to deepen their Systems Thinking skills to develop solutions that lead to sustainable change”. Resource persons of the workshop was Dr. K. Balaji & Mr. K. Subash Kannan, Lead Consultant (Technology & Innovation), Learning Links Foundation, Chennai, . Final year students of UG & PG actively participated in the workshop. Convenor, Prof.T.Papitha, and Co-convenor Dr. B. Harishwaran organized this workshop for the benefits of the students.

Objective of the workshop

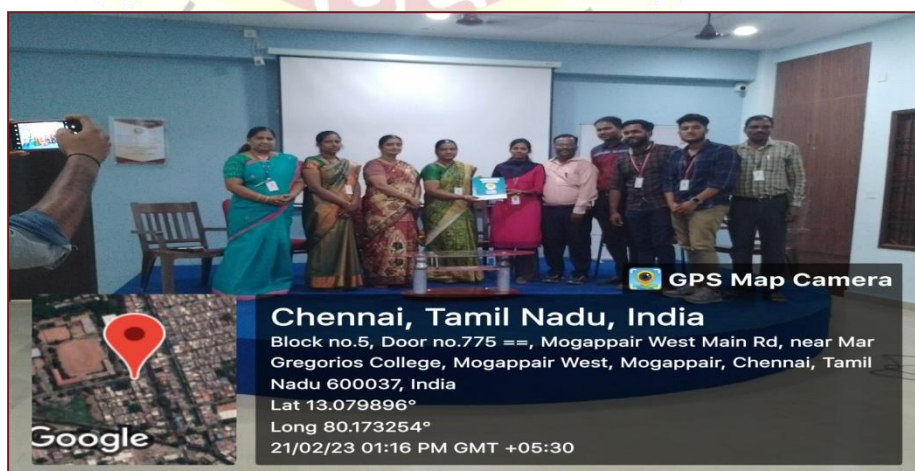

1. System thinking: To explore the causes of complex issues and identify connection between them.
2. Scenario planning: To consider probable, possible and preferred future
3. Theory of change: To offer way to understand the feasibility and consequences of actions needed to bring about a more positive future.

First Class**

Areas of Interest

- * Robotics.
- * Strength of Materials.
- * Design of Machine Elements.
- * Design of Transmission Systems.
- * Theory of Machines (Kinematics and Dynamics).
- * Mechanical Vibrations.
- * Optimization techniques in engineering Design.

Experience

- July 2010–Dec 2010 **Assistant Professor, KALASALINGAM UNIVERSITY, KRISHNANKOVIL, India.**
Subjects handled: Micro-Electro Mechanical Systems, Engineering Drawing, Basic Civil and Mechanical Engineering.
- July 2009–March 2010 **Assistant Professor, VEL TECH MULTI TECH ENGINEERING COLLEGE, AVADI, India.**
Subjects handled: Design of Machine Elements, Engineering Mechanics.

Research Project (PhD in Robotics)

- Title **Kinematic Analysis of RS type Parallel Robotic Mechanisms- A Performance Index Based Approach.**

1/2

Dr.R.SRIKANTH, M.B.A., M.Phil., Ph.D.,
Principal
MAR GREGORIOS COLLEGE OF ARTS & SCIENCE
MOGAPPAIR WEST, CHENNAI - 600 037.

Description The research work deals with working on a family of Parallel Robotic Mechanisms (PRM) (Redundant parallel mechanisms-3RRRS, 3RPRS, 3PRRS, 3PPRS, 3PRS, 3RRS configurations). Singularity Identification of PRMs during its performance for its motion simulation.. Mainly these PRMs are used to simulate the needed motion pattern. So the work related to Robotic mechanisms, Multi Body Dynamics, Vehicle Dynamics and mechatronics fulfill the desirable qualifications for the opening.

Masters Thesis

Title **Fatigue Crack Growth Analysis of rocket fuselage.**

Description Fatigue Crack Growth Analysis of rocket fuselage made of material AL2023-Ti alloy on the basis of Fracture mechanics, Design based on failure theories. Software Used: ANSYS Workbench. MSC Pastran(Fatigue module), ABAQUS (for nonlinear FE analysis).

Bachelors Project

Title **Analysis of VGT (Variable geometry turbine) in a turbocharger.**

Description Analysis of VGT (Variable geometry turbine) in a turbocharger using ANSYS LS Dyna. The angle of vane deflection to produce the maximum flow rate inside the turbo, as a result of increase the efficiency of turbocharger. Software Used: Ansys LS Dyna.

Trainings underwent

- [T1] Summer School Of Robotics (DST Sponsored), IIIT Allahabad – 5 days.
- [T2] Short Term Training Programme on Practical Approaches in Robotics and Smart Material Technologies, IIITDM Kancheepuram, Chennai – 5 days.
- [T3] Sakura Science plan-Nagasaki University Japan visit -10 days.

Computer skills

Basic ROS(beginner), Python
Intermediate ANSYS, MSC ADAMS, Robot studio (ABB), Raspberry Arduino
Advanced MATLAB, Wolfram Mathematica
Willing to learn ROS2, OpenCV

Languages

Tamil **Mother Tongue**
English **Read, Write and Speak fluently**

Interests

- Reading books
- Playing Football
- Mathematical quiz
- Bike riding

Work Experience:

- 1) Year of Experience: July 2021 to Now
Designation : Lead Consultant
Organization : Learning Links Foundation
Nature of work :

- Train the 1500 students in the topic of NXplorers
- Introduce the SDG goals to students and motivate them to solve their real time problems related to SDG's.
- Change their mindset using the NXthinking (New way of thinking) tools
- Train them to develop the projects using the proper steps

**AQAR
2022-23**

- Training the students with activity-based learning and without lost their interest
- To introduce the STEM education
- Monitor the students to develop their projects and help them when they are face the problems
- Data handling and maintain the documents
- Guide the students to develop the projects in the Food, water and Energy topics
- Stack holder management
- Build the relationship with Gov officials.
- Support the content development

2) Years of Experience: 2 years and 9 months

Designation of work: Project Engineer

Organization : SRF foundation supported by Capgemini CSR

Nature of Work :

- Setup the InnoSTE(A)M lab (STEM Lab) at the low cost in 5 Government schools
- Develop the curriculum for that STEM Lab.
- Procurement the electronics materials with cost effective manner like an Arduino, Raspberry pi and all other basic electronics things.
- To train the teachers and students in the topic of Arduino, Wood Working, Table top CNC milling machine, Laser cutter, TinkerCAD, Autodesk Fusion 360, 3D printer, blog creation, scratch programming, python, HTML, etc.
- Made various projects using Arduino and motivated the students to create the projects. Ex, Bluetooth control car, Obstacle Avoidance car, etc.
- Created the report and monitor the lab materials managed perfectly.
- Trained the teachers and students in the online mode during Pandemic time.
- Conducted the competitions for all 5 schools in online and offline mode.
- To train the students to prepare the robot and participated the FIRST TECH CHALLENGE conducted by FIRST robotic company. Students nominated two awards among 50 teams.
- Motivate the students to do a real time project using the STEM Materials

3) Year of Experience: 3 months

Designation : Project Engineer

Organization : SRF Foundation

Nature of Work:

- To follow up 20 Atal Tinkering Lab school In-charges and Head masters.
- Train them through online in the topic of Arduino, coding, Scratch programming, TinkerCAD, etc.
- Motivate them to attend the training and provide some tasks to do the regular activity.
- Closely watch and motivate them to participate the ATL Marathon and other competition.
- Regularly monitor them to do the assigned task given by AIM.

Publication:

- Accepted and published, "Reduction of Valve Seating Velocity in Electro Hydraulic Valve Actuation System", in IJERA journal, volume 8, Issue 2, February 2018.

Areas of Interest

- Teaching & Training
- Education development
- Robotics
- Man handling

Software Dexterity

Operating System	Windows, Raspbian.
Utility Package	MS Office, Libre Office
Educational Packages	Arduino, Raspberry Pi, Python, Scratch, TinkerCAD, CREO Autodesk fusion 360, Inkscape, C.

Machine Operating:

- I have created compact size CNC milling machine for student purpose which is operated under the CNC open-source software.
- Well known about working of 3D printer and its problem, Laser engraving and painting robot.

Extracurricular Activity

- Movies
- Reading Literature Books

Strength

- Industrious
- Perseverance
- Self-critic
- Easy learn new things
- Adoptability
