

5.1 STUDENT SUPPORT

5.1.3 CAPACITY BUILDING AND SKILLS ENHANCEMENT

1.SOFT SKILLS

Soft Skills Development: Soft skills provide students with a strong conceptual and practical framework to build, develop and manage teams. They play an important role in the development of the students' overall personality, thereby enhancing their career prospects. The soft skills training provides strong practical orientation to the students and helps them in building and improving their skills in communication, the effective use of English, business correspondence, presentations, team building, leadership, time management, group discussions, interviews, and inter-personal skills.
