Red-dot campaign a first kind campaign was initiated to create an awareness about the sanitary segregation. The red dot campaign by SWACH cooperative is sensitizing people about the importance of proper handling and disposal of sanitary waste. The campaign was initiated in Pune 2007.

In Pune waste pickers handle about 20,000kg of dirty diapers and sanitary pads everyday, exposing themselves to diseases like staphylococcus, hepatitis, salmonella and typhoid.

Dr.R.SRIKANTH, M.B.A., M.Phil., Ph.D.,

To talk about the SWACH (Solid Waste Collection and Handling) the residents were asked to wrap up their sanitary pads and diapers in paper that was marked with a red dot. This would help the SWACH workers to identify sanitary waste and treat it accordingly. And thus the RED DOT campaign was formally launched and reported that 50% of the people have started to wrap their sanitary wastes compared with 0% before the campaign.

In the end, the women students were asked to show their red dot on their palms and shout “ YES I BLEED”
